- I do, YOU do, WE do
- Learner engagement: Plan for an engagement activity every 5-10 minutes, e.g. poll, Kahoot, ask students to screen share and tell you what they are doing/have done
- Check for comprehension: Plan to check for comprehension every 5 minutes
 - Call on individual students; avoid asking questions of the group in general
 - Address students frequently individually, by name
 - Ask students to screen share frequently to demonstrate they are following along
 - Ask closed-ended questions: “did you set up your account successfully, Frank?”
 - Ask the interns to share and demonstrate: “Please share your screen and show us”
 - **Avoid open-ended questions like “Are there any questions?”**
- Link all materials here
- Record a 5-10 minute video delivering key lesson components

Goal/Module: High School Students

Target Students: Summer program interns

Lesson Topic: How to use Premiere Pro

Lesson Objectives/Learning Outcomes: Intern will have a ability to make that video using the profection editing website

Designed by: Su Myat Mon

Estimated Time: Lessons don’t have to last for any specified time. Target about 40 min-1h.

Topic/Time?	Lesson Description:	
Supplies:	● Adobe Premiere Pro	

Icebreaker & Attendance (3-5 minutes)	<ul style="list-style-type: none"> ● Say Good Morning Everyone ● Check on that on how everyone is feeling 	
Leader explain why we are doing this assignment (0-10 minutes)	<p>Explain what is Adobe premiere pro is and how</p> <p>Adobe premiere is the editing website that we use for movies and music videos</p> <p>We will show open the website and that show them how they look like</p> <p>And show the introduction video</p>	
Introduction of how to do that assignment (3 minutes)	<p>The purpose of this meeting is to...</p> <ul style="list-style-type: none"> ● Demonstrate a productive, engaging creating ● Share an example of how I want to learned new skill that throw internship ● Allow time for you to practice using website on your own or with a friend/colleague 	
Students do that assignment (10 minutes)	<p>Example:</p> <p>Poll #1: What mobile device do you use?</p> <p>Computer</p> <ul style="list-style-type: none"> ● Download the website in the computer and log in with school sfusd email ● The login should be free and it will take the most 10 Minutes for students to do that. 	
Leader helping with the assignment : (5 minutes)	<ul style="list-style-type: none"> ● Start with a question. Example: What is the skill/process for how you do your editing? 	
Students do that assignment (30)	<p>WE DO:</p> <ul style="list-style-type: none"> ● Create breakout rooms, either for interns to self-group or with specific breakout room assignments ● Interns will take the video of the project that they want to show and use Adobe to edit the simple quick 2 minutes video ● Example: <ul style="list-style-type: none"> They will learn how to put the clip into the the website and was able to Export as a video and that will learn what are that different type of video is <p>Example Instructions: Intren will take their own video and open the the that Adobe App</p> <p>.Will go to clip and put that to the website</p>	

	<p>. Put all the clip in together and make sure they all are ready go and make it as a full 2 minutes video</p> <p>. will get more point for using that music as well</p>	
<p>Leader check in with students if they need help (3-5 minutes)</p>	<p>Example: Which video editor do you use?</p>	
<p>1 hours</p>	<ul style="list-style-type: none"> •
