This is my second choice, my first choice was a lighter blue, since blue was a large number and red was a small number.

This is my first choice because green takes up the most part and with some red and less blue, and it was kind of a light color.

This is my first choice. It was mostly red and blue, and it was a darker color of blue and lighter color of red, so I chose purple with more red.

This is actually my last choice, I thought it would be a lighter color of green, so I chose all the other light colors.
